Create Hope Ghana | 7 night trip in 2025

The Program

Create Hope Ghana began when Jonathan Haruna and Rhoda Wumbei (now our Ghana Program Directors) met a girl who couldn't attend school due to struggling family finances and a lack of cultural priority - 'girls don't need education' was a common belief. The family needed just \$1 to send her to school. Jonathan and Rhoda immediately helped and began sharing with this family and others the importance of education for girls.

Today, Create Hope Ghana is assisting 73 families and 75 children with nutritious meals, quality education, mentoring, and a supportive community. Jonathan and Rhoda are helping widows and their children get reestablished in secure locations. All their service flows from a love for Christ, motivating them to share the gospel with those they serve, and help them discover and pursue their God-given potential.
