Forward Edge Team

La Vid Verdadera | 7 night trip in 2025

Laxopa & Zoogocho

La Vid Verdadera, a small church in the village of Laxopa, Oaxaca, Mexico, serves as a beacon of hope in a region with a rich yet complex cultural tapestry. Located in the remote mountains, the church ministers to indigenous and unreached people groups, including the Zapotecs of Zoogocho, who have historically been isolated from the Gospel.

Esau and Ale Perez, our dedicated partners, have been serving in this region for nearly 20 years. They are deeply committed to spreading the Gospel in these villages. Through a combination of feeding and discipleship programs, educational support, and medical and dental aid, they are demonstrating the love of Jesus, strengthening the local Christian community, and building relationships to bring hope and transformation to these communities.
